

2014 Foxwood Meadows BBQ

This year's Foxwood Meadows BBQ was held on Saturday July 19th near the tot lot. Those that attended had a great time. The BBQ served up hamburgers, hot dogs and even brats! Neighbors brought a suite of salads, chips and dip, deserts and beverages for all to enjoy! Skies were cloudy with temperatures in the lower 70s offering comfortable weather conditions. Several new neighbors joined the fun, meeting everyone else.

A Snohomish County Fire District 7 ladder fire truck stopped by for a couple of hours, permitting neighborhood children – young and old – to view, climb in and explore the fire rig. The three firemen enjoyed talking with neighbors, showing off their truck and equipment and getting to know our neighborhood a bit better.

Below is a photo with many of those attending the BBQ and the fire truck crew. Hope you can join the fun with your neighbors at next year's Foxwood Meadows neighborhood BBQ!
