

Foxwood Envelope Stamp

Every once in a while, our property management group Protocol sends us a mailing with items like our semi-annual due notices and annual meeting announcements. The Protocol envelope is not very distinctive, to the point that some people confuse their envelopes with junk mail and miss these important mailings.

So your HOA and Protocol have created a Foxwood Meadows envelope stamp to help make the Protocol mailing envelopes more distinctive. Look for this logo on these envelopes in your mail beginning in June.

Foxwood Meadows
